Picture It

Pt. Montara is the ideal location for tide pooling, hiking and sea kayaking. That's exactly what you'll get to enjoy when you sign up for this getaway. Depending on the time of year, you may see gray whales migrating, common murrelets hatching, or harbor seals playing offshore. After a long day exploring the coast, relax at the hostel on the grounds of the historic Pt. Montara Lighthouse and meet people from all over the world. You can discover other cultures just by hanging out in the hostel dining room. There's no better way to get to know an international traveler than by sharing a meal with them! Why not check out what the Lighthouse and Hostelling International have to offer?
