

DESTINATION – SACRAMENTO!

Explore the history of California's state capitol while staying at our beautiful hostel.

Picture It:

Sacramento has something for everyone who loves living history. In addition to two nights at HI-Sacramento where you have the chance to meet travelers from all over the world, your troop can choose one of three amazing tours. The California State Railroad Museum offers your troop an unparalleled look at the history of railroads in California and the West. Or visit a replica of a traditional one-room school found throughout the Sacramento Valley and Sierra Nevada foothills during the 1800s at the Old Sacramento School House Museum. Or, if you're looking to get out and about, join a special walking tour with a member from the Old Sacramento Living History Program. Watch Sacramento City come alive from the perspective of an historic personality who uses the original and reconstructed gold rush era buildings as the backdrop for the tour and describes the town as it was in 1850.
