

Yosemite Fun!

Looking to get back in touch with nature? Get away from it all to wander the woods, learn a little natural history, and gather around the campfire at the Yosemite Bug Rustic Mountain Resort.

Picture It:

Just 25 miles outside Yosemite Valley, the Yosemite Bug hostel is the perfect base to explore the great outdoors. Take a hike on the Vernal Falls Mist Trail, and stop to smell the flowers over a picnic lunch along the way. Learn a little local history at the Mariposa Mine and Mineral Museum. Gather around the campfire to share stories and roast marshmallows before settling down for the night in deluxe tents or cabins. It's a hostelling experience your troop will never forget!
