## OUR STORY

Hostelling International USA (HI USA) is a nonprofit, member organization founded on an enduring belief in the power of travel to foster a deeper understanding of people, places, and the world around. We promote a dynamic community of global citizens who have the wisdom and humanity to actively make the world a better place. All monies made by HI USA are reinvested back into this cause.

Our affordable accommodations are located in converted mansions, reinvented lighthouses, and historic buildings reclaimed in the spirit of discovery and community all across the country. HI USA is part of the Hostelling International (HI) network of 4,000 hostels worldwide.
