

Yosemite Fun!

Looking to get back in touch with nature? Get away from it all to wander the woods, learn a little natural history, and gather around the campfire at the Yosemite Bug Rustic Mountain Resort.

Picture It:

Just 25 miles outside Yosemite Valley, the Yosemite Bug Rustic Mountain Resort and Hostel is the perfect base to explore the great outdoors. Take a hike on the Vernal Falls Mist Trail, and stop to smell the flowers over a picnic lunch along the way. Gather around the campfire to share stories and roast marshmallows before settling down for the night in our private cabins or dorm cabins. It's a hostelling experience your troop will never forget!
