

## HI-USA Board Member Questionnaire for the Unified Registration Statement For the Fiscal Year Ending 31 March 2015

Nearly forty states require nonprofit organizations that solicit charitable funds in their states to register, typically with the state attorney general or the secretary of state. In order to streamline the process of registering and reporting annually, most states have worked together to develop and have agreed to accept the Unified Registration Statement (URS) in lieu of their own forms.

We are required to collect the data below for officers and directors of Hostelling International USA to use in compiling the organization's URS for the current fiscal year.
